

Monday 23rd March, 2020

Dear parents and carers,

As of today, the exam boards have only released a brief outline as to how they hope to proceed in generating exam grades for the Summer 2020 candidates.

Please feel assured that the situation is being constantly monitored and as soon as updates are published they will appear on this section of the school's website.

If you navigate back to the page you opened this link from, you will see the shortcuts to the webpages of all the exam boards we planned to use for the Summer 2020 exam season.

These are the most up to date sources of information regarding this issue at present.

Thank you for your ongoing patience in this tumultuous time.

Kind regards,

P. Hunter.
