

Uniform Purchasing 2020

www.yourschoolwear.co.uk

Uniform and Sportswear for your school can only be bought online this summer.

After much consideration, the school have made the difficult decision to cancel face-to-face uniform sales in school for this year. It is important that families are not put at risk of Covid 19 and as a mass gathering, we would not be authorised to hold any uniform sales under the current Government legislation without considerable logistical issues, which if not properly adhered to could compromise everyone's safety.

Throughout the Pandemic, we have been able to keep all of our services up and running and we are working closely with our distribution partners to ensure a continued smooth running over the busy season.

We do need your help though!

Due to social distancing in the workplace there will be fewer packers and this could result in us taking a little extra time to process both your orders and returns.

PLEASE PLACE YOUR ORDERS IN JUNE & JULY

When ordering online please consider the following:

All garments have different measurements so please follow the size guide and measurements for each garment.

When purchasing a Blazer please allow room for a pullover underneath, full movement and growth, it is important to check the arm length of the blazer is plenty long enough, sleeves are very easily tucked up with iron on tape or a few stitches.

- Orders above £50 receive free P&P
- We offer free collections and returns at the Clacton Depot (this is not a shop just a collection point)

For guidance the most common sizes purchased for a Year 7 student are as follows:-

- Blazer 31" or 32"
- Pullover 32" or 34"
- Button up shirts (Boys) to wear with the tie 13" or 13.5"
- Button up blouses (Girls) to wear with a tie 32" or 34"
- Culottes 26" or 28" (most are adjustable, so we advise to buy one size bigger than the actual waist measurement (use tape measure loosely and allow growth) and use the adjusters.
